5 Best Features from Global Leaders

We've combined the most effective features from Coursera, Khan Academy, Duolingo, edX, and Quizlet into one powerful platform designed specifically for Indian learners.

From Coursera

University & Corporate Partnerships

Learn from IIT, Harvard, MIT, and top Indian institutions with verified credibility.

From Khan Academy

Mastery Learning System

Master concepts before moving forward - perfect for competitive exam prep.

From Duolingo

Gamification at Core

Points, streaks, and leaderboards make daily learning addictive and fun.

From edX

Prestigious Institution Partners

Learn from IITs, IIMs, Harvard, MIT with brand authority you can trust.

From Quizlet

Multiple Study Modes

Transform any content into flashcards, tests, and interactive games.
